

Structure of the report

Title: Short but meanings-full

Author(s) You and may be others

Introduction/abstract

The interesting things you have done without giving too much details.
The point with an introduction is to attract/intresse the reader to
read the rest of the report.

Don't say too much! (1/2 page max)

Choose your own structure for the report!
An example could be as follow:

1. Network configuration
- 1.1

Use references! as follow:
ACL From tutorial [1] ACL is defined

2. Network monitoring

Nagios

3. Network administration

3.1 Netbox [2],

Include figure with captions as follow:

Fig.1 Netbox GUI

3.2 Postman

3.3 Ansible

4. KTH PDC visit

5. Complior visit

Conclusion

Make it short! Don't repeat what yourself. Write a short analysis of what you did. What did you learn from LIA, What was most interesting.
