

Structure of your report

Title: Short but meanings-full

Author(s) You and may be others

Introduction/abstract

The interesting things you have done without giving too much details.
The point with an introduction is to attract/intresse the reader to
read the rest of the report.

Don't say too much! (1/2 page max)

Choose your own structure for the report! An example could be as
follow: (feel free to choose your own structure) Use references when
you have to refere to others finding, tutorials! as follow:

1. Network Simulation

1.1 Cisco Packet tracer (PC)

1.2

2. Physical Network

ACL From tutorial [1] ACL is defined

3. Network monitoring
Nagios

3. Network administration

3.1 Netbox [2],
Include figure with captions (after the figure) as follow:

Fig.1 Netbox GUI

3.2 Postman
3.3 Ansible

4. Email server
4.1 MTA Exim4
4.2 MTA Sendmail
4.3 MUA Mutt

4. KTH PDC visit

5. Complior visit

Conclusion

Make it short! Don't repeat what yourself. Write a short analysis of what you did. What did you learn from LIA, What was most interesting.
